

Yellow warning Fog

Between
22:40 Sun 9 Mar 2025 and
09:00 Mon 10 Mar 2025

Fog may lead to some challenging travel conditions on Sunday night and Monday morning

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

Further details

Fog will continue to develop across parts of northeast England, Yorkshire and Humberside through Sunday night. Some dense fog is likely in places with the visibility falling to 50 metres at times. Fog will lift during Monday morning.

What Should I Do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, leaving extra journey time, or amending plans if necessary. Make sure you know how to switch on your fog lights, and check they are working before setting off on your journey.

 Medium likelihood of low impacts
